

ABOUT ME

I trained at Chichester College, where I gained my City and Guilds in Beauty Therapy. I have now been in the world of Beauty Therapy for 30 years, working in a salon environment before starting my own business, enabling me to gain a wealth of knowledge and experience within the profession. I am also a member of the British Association of Beauty Therapists and Cosmetologists.

I love my job, and have the aim for every client to feel relaxed, pampered and satisfied after their treatment.

I live in Chidham, and visit clients' homes in the surrounding area between Emsworth and Fishbourne. Alternatively, I offer treatments from Hamblin Hall, Bosham; a sanctuary set in 3 acres of beautiful grounds, with free parking. I charge an additional fee on certain treatments from this location.

I offer appointments from Monday to Saturday, including some evenings during the week to suit busy lifestyles.
